“NEW DIMENSION” 2018-2020
“DEEPEN, DIGITALIZE, DIFFERENTIATE”

2020 MAIN FINANCIAL TARGETS

REVENUES GROWTH ~ 5% PER ANNUM

ROTE BETWEEN 13% AND 14.5%

**SHAREHOLDER-FRIENDLY DISTRIBUTION POLICY - UP TO €4BN DIVIDENDS,
WITH A MINIMUM PAYOUT OF 60% EVERY YEAR**

AFTER “NEW DEAL”, THE PLAN OF RECOVERY AND RENEWED CONFIDENCE AND “NEW FRONTIER” FOCUSED ON BUSINESS TRANSFORMATION AND DEVELOPMENT, NATIXIS COMMITS TO “NEW DIMENSION”, A PLAN TO DELIVER SUSTAINABLE VALUE CREATION

Natixis successfully completes its “New Frontier” strategic plan with all key targets set out 4 years ago being reached or overachieved, mainly: **revenues growth** (+26%)¹, **balance sheet and risk management** (7% RWA drop of which 19% in Corporate & Investment Banking)¹, and **profitability** (RoTE 12.5% vs. 9% in 2013)¹ thanks to the asset-light model implementation. Such a success has allowed Natixis to distribute a significant part of its results via dividends and to generate **one of best Total Shareholder Return in the banking sector globally**, to the benefit of its shareholders. The success of “New Frontier” provides solid foundations to the launch of the “New Dimension” plan, to which Natixis commits today.

“New Dimension” gathers 3 strong initiatives, all contributing to the development of high value-added solutions dedicated to our clients: **Deepen businesses’ model transformation**, successfully embarked on the “New Frontier” plan, a significant allocation of existing investment budget towards **digital technologies** and **a strong drive to differentiate ourselves**, becoming our clients’ key representative in areas where Natixis’ teams have developed strong and recognized expertise.

OUR ABILITY TO DELIVER SUSTAINABLE VALUE CREATION RELIES ON 3 LEVERS

- **Differentiate ourselves** in the long run via selected expertise within each of our businesses to sustain their ambitions:
 - **Asset & Wealth Management** - Assert our **world-leading position in active asset management**, thanks to our size, profitability and innovation capabilities
 - **Corporate & Investment Banking** - Become the **“go-to bank”** in 4 selected sectors and be recognized as a **solution-oriented innovative house**
 - **Insurance** - Consolidate our **leading position** in the French insurance landscape
 - **Specialized Financial Services** - Become a **pure player in Payments in Europe** and accelerate the **digital transformation**
 - **Accelerate synergies** with **Groupe BPCE networks** in each of our businesses
 - **Digital projects** dedicated to our clients and business efficiency, financed via the reallocation of existing IT costs

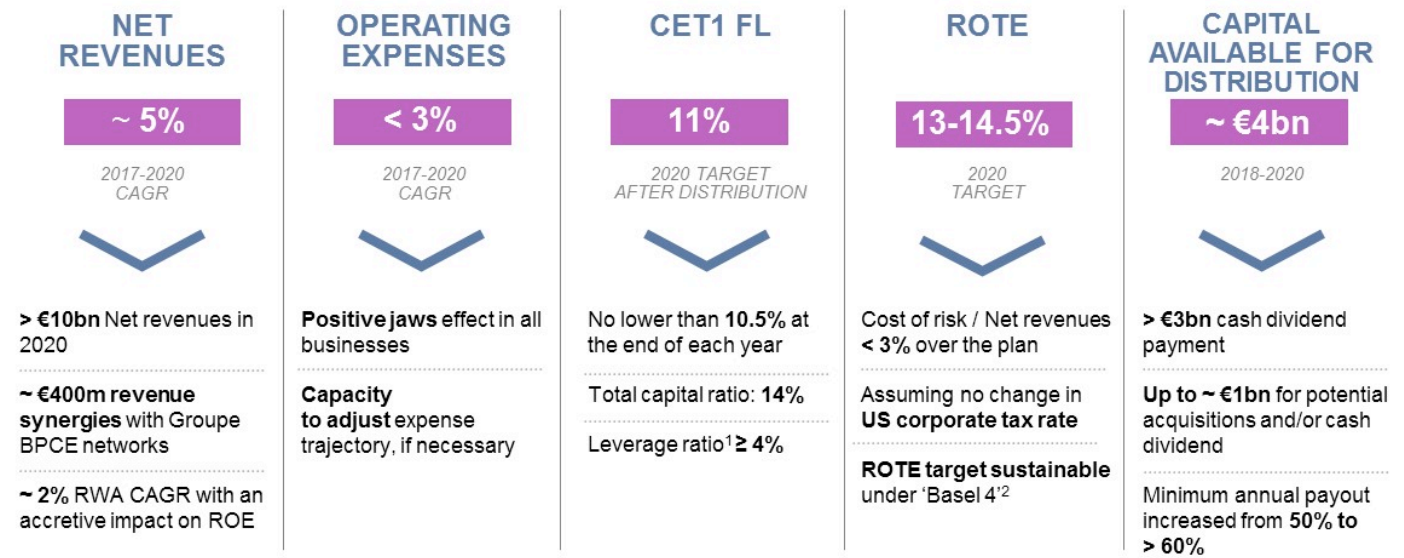

(1) Estimated FY 2017 based on 9M + [Q4=Q3], RoTE excluding SRF

- Increase the **flexibility** of our model to adapt quickly to fast-paced environment:
 - **A diversified revenue mix** for a greater resilience through-the-cycle: ~ 50% of Natixis' 2020 revenues to come from non-banking activities together with a balanced portfolio of businesses relying on client assets (Asset management...) vs. businesses relying on client activity (Corporate & Investment Banking)
 - **30% of 2020 expenses to be variable** hence capacity to adjust expense trajectory, if necessary
 - **Fast balance sheet rotation** thanks to the O2D model, allowing for a smooth adaptation to regulatory changes
 - **Agile organization** and collaborative ways of working
- Keep on with disciplined capital management together with a **shareholder-friendly dividend policy**:
 - **Tight grip on RWA** with a ~ 2% CAGR over 2018-2020
 - **High businesses' intrinsic profitability** - RoTE target of 13%-14.5%
 - **Strong capital generation** - ~ €4bn of capital available for distribution throughout the plan with a **fully-loaded CET1 ratio target of 11%**
 - **Shareholder-friendly dividend policy** - Between €3bn and €4bn dividends over 2018-2020 with a minimum payout ratio of 60% every year

Laurent Mignon, Natixis Chief Executive Officer, said: "I am particularly pleased to unveil **New Dimension** today, Natixis' new strategic plan for the coming three years. After the success of *New Frontier*, Natixis now is a solid company, recognized for the quality of its expertise, and profitable. It is one of the top value-creating banks in the world, which I am very proud of. I would like to thank all our clients, who are at the heart of our commitment but also all 17,000 Natixis' employees for their work and general dynamism.

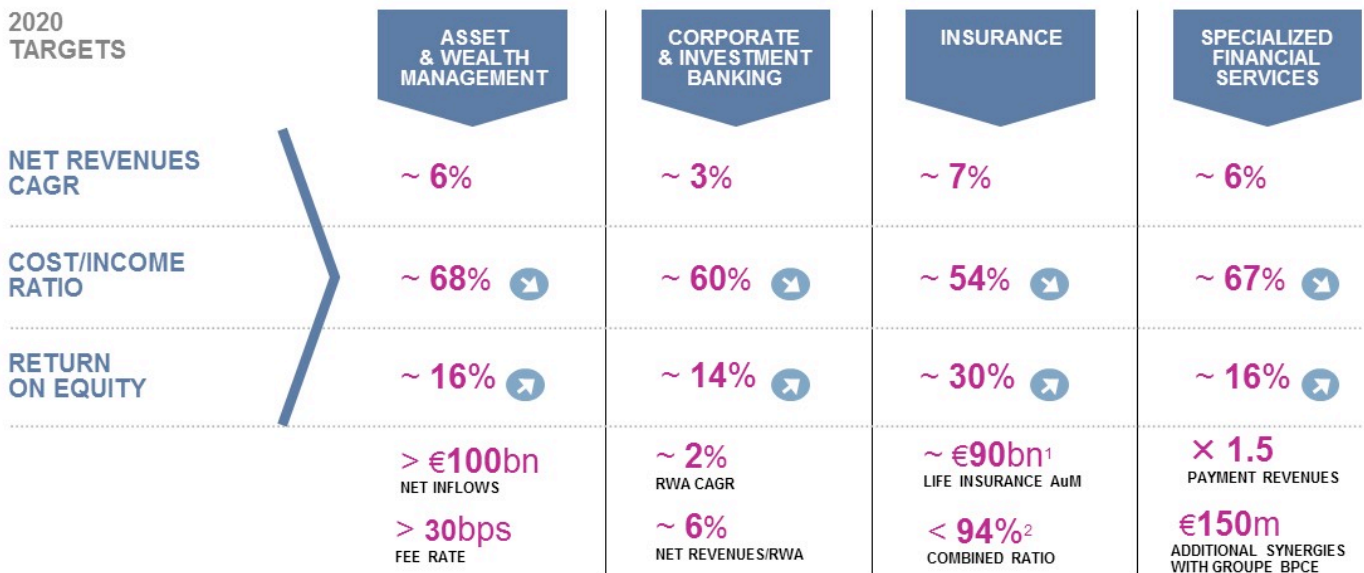

With **New Dimension**, we are going to anchor our success through time by deepening the transformation of our business model, investing in digital and by a strong will to differentiate ourselves via Natixis teams' widely-recognized expertise."

ASSET & WEALTH MANAGEMENT (AWM)

**ASSERT OUR WORLD-LEADING POSITION IN ACTIVE ASSET MANAGEMENT,
THANKS TO OUR SIZE, PROFITABILITY AND INNOVATION CAPABILITIES**

- **A performance-focused multi-affiliate model**
 - **Natixis ranks 15th based on AuM globally¹ and 10th both in terms of revenues and Operating Profit².** Natixis is a **truly global and diversified asset manager**
 - **A portfolio of autonomous asset managers** providing a diversified suite of distinctive active investment strategies. Affiliates benefiting from a centralized and **global distribution platform** as well as support for internal development (e.g. *seed money*)
 - **Consistently delivering alpha** across the affiliate range with 42%³ of mutual funds being ranked top decile when looking at 5-year cumulative returns, far above direct peers
 - **A very resilient and stable fee structure** due to a strong track record and active strategies demonstrating to be more resilient to fee pressure than passive strategies

- **A high value-added growth strategy**
 - **Opportunity to capture assets on the move** from “*chronic underperformers*” and/or “*low value added*” strategies
 - **Extend distribution reach**, notably in Europe ex-France
 - **Leverage on BPCE networks** in France and capitalize on Natixis’ ambitions for CIB and Insurance via increased collaboration
 - **Expand in growing asset classes**, mainly **Alternatives and Solutions**
 - **Further develop the APAC platform** - Recent acquisition of IML in Australia
 - **Actively participate in industry consolidation** trends in a disciplined manner
 - Develop **Responsible Investing**
 - **Digitalization, innovation, and operational efficiency** at the core of Natixis’ strategy (blockchain, robo-advice, CRM, etc.)
 - **Re-branding** for better visibility - **Natixis Global Asset Management becomes Natixis Investment Managers**

- **Main 2018-2020 targets**
 - **Net inflows** > €100bn over the plan
 - **Fee rate** > 30bps in 2020
 - **Assets under Management** ~ €1tn at end 2020
 - **Operating Income** > €1bn in 2020

CORPORATE & INVESTMENT BANKING (CIB)

**BECOME THE “GO-TO BANK” IN 4 SELECTED SECTORS AND
BE RECOGNIZED AS A SOLUTION-ORIENTED INNOVATIVE HOUSE**

- **Capitalize on “New Frontier” achievements to deepen relationships with Corporates and Investors**
 - **Coverage activities already repositioned** - Strategic dialogue moved up to the decision-makers allowing Natixis to increase client intimacy leveraging on its Investment banking division
 - **Further develop the multi-boutique approach in M&A** by investing in selected geographies
 - **Step up the high value-added Solutions business** - On the one hand, focus on innovation to strengthen financial engineering teams, on the other hand digitize flow products to reduce operating costs
 - **Keep up the growth momentum** of equity derivatives and continue to develop the recognized structured credit Solutions business franchise
 - **Foster international growth**, especially in the Americas and APAC
 - **Strengthen the O2D model** to generate more fees. Expand customer base and focus on structuring/distribution

- **Differentiate ourselves by developing additional expertise to enhance client intimacy**
 - **Become the “go-to” bank in 4 chosen sectors** - Globally-recognized franchises in structured finance and over 20 years’ experience in *Energy & Natural Resources, Aviation, Infrastructure, Real Estate & Hospitality*. These 4 sectors constitute a large fee pool to be tapped into for investment banks and estimated at \$25bn at end 2016¹
 - **Increase the footprint with Insurers and Financial Sponsors** capitalizing on Natixis’ complete range of expertise across all businesses
 - **Become a reference bank in green business** and a market pioneer in *green* O2D

- **Main 2018-2020 targets**
 - Revenues/RWA ~ 6% in 2020
 - Generate > 40% of revenues in Americas and APAC in 2020
 - **Global Finance & Investment Banking** - Revenues in Investment banking and M&A to increase by > 7% per annum
 - **Global Finance & Investment Banking** - *Green* business revenues multiplied by x2 by 2020
